Course Description:

The purpose of this Spanish course is to introduce the Spanish language using interactive techniques to the 8th grade level and up. Those in 8th grade may count the class as Spanish I High School if they complete the course with an 80% or above.

Course Notes:

Class time will cover instruction and oral Spanish practice. Homework will consist of language listening, memorization, and worksheet assignments. Chapter quizzes and quarterly exams are given. Parents are responsible to ensure the student does the daily assigned work.

Students will also learn about culture from different Spanish speaking countries as they complete culture investigation assignments. Grades will be determined from homework assignments, quizzes, exams, and cultural studies.

Course Prerequisites:

The student must read and write in English at 8th grade level.
